LB 329, 444A, 268

SPEAKER MARVEL: Motion lost. Somebody asked to raise the Call. The Call is raised. I would remind you as soon as the other legislators get here we will go to Final Reading. Senator Newell, do you wish to take up LB 483?

SENATOR NEWELL: Mr. President, I have some amendments to 483 which would strike some of the controversial provisions of this bill.

SPEAKER MARVEL: Excuse me, the Clerk needs to read the title first and then we will get back to you.

SENATOR NEWELL: All right. Well, they are not ready yet and so for that reason I would like to keep it on Consent but at the same time not take it up today. I think we would have trouble moving it today without those amendments and for that reason I ask that it stay on Consent and the amendments...I will offer the amendments at a later time.

SPEAKER MARVEL: Senator Cullan. In the South balcony, while we are waiting for legislators to get back and then we will start on Final Reading, in Senator Maresh's district, twenty-four seniors and one teacher from Deshler High School. Richard Weiner is the teacher, History instructor, in the South balcony. Hold up your hands so we can see where you are. Welcome to the Unicameral. Yes.

CLERK: Mr. President, Senator Fowler asks unanimous consent to print amendments to LB 123.

Senator Brennan offers LB 444A. (Read title to LB 444A for the first time as found on page 1429 of the Legislative Journal.)
